

## NEED HELP STARTING A BUSINESS?

### THE MICROENTERPRISE DEVELOPMENT PROGRAM GIVES YOU THE TRAINING YOU NEED TO START YOUR OWN SUCCESSFUL BUSINESS.

The Microenterprise Development Program helps you gain the necessary skills and resources to turn your idea into a successful business venture. We offer a training and development program that enhances personal and business development skills and creates owner-operated Microenterprise businesses with the goal of increasing income and wealth through self-employment.

And the good news is that it won't cost you a cent! All you need to do is meet eligibility requirements – having a child under 18 and income below 200 percent of the federal poverty level – and you are in the program!
